Area Literature Report:

Start Inventory: \$2,708.78

Cash Balance: \$841.83

Expenses:

- Order: \$754.10

- Shipping: \$64.33 - \$45.24 (discount) = \$19.08

- Supplies: \$21.22 (copies of order forms)

Sales: \$764.45

H&I: \$192.50

End Inventory: \$2,505.93 + \$27 (donated literature) = \$2,532.93

End Cash Balance: \$1,003.62

Please continue to use the new order forms for purchasing literature at area. More copies will also be available at area. **Please accurately fill out the form and put the order total in the appropriate spot.** When people do not do this it significantly slows down the committee's work at Area. NA World Services is increasing the price of all of it's literature by 6% (except for the Basic Text which will be increased by 5%) this July. We will begin to sell literature at this increased price in August. Included with the minutes is a document containing the complete literature inventory for our Area as of now and it's value. Items that are rarely sold are marked with an asterisk. The value reflected in the document includes the most recent order, literature H&I has yet to receive, and items that might have been missed during the initial literature count at the beginning of the year. The inventory balance in my reports will change next month to reflect this.
