Open Forum:

- Open discussion about the Unity Committee:
 - Not a lot of interest, should there still be a committee or create ad hoc committee for events.
 - Not up to the Unity Committee to provide unity for the area, it is up to the groups.
 - Questions for the groups to consider:
 - What do the groups want Unity to be?
 - What do the groups want from the committee?
 - Unity was created for the anniversary picnic.

Chester County Prison
VOLUNTEERS/CONTRACTORS/INTERNS
PREA Training

POLICY STATEMENT

The Prison Rape Elimination Act (PREA) standards were enacted into law in 2003 to study and address prison sexual violence. Sexual abuse is against the law. The concept of “zero tolerance” is at the foundation of the PREA standards. Every provision of the standards is rooted in the notion that even one incident of sexual abuse or sexual harassment in prison settings is too many. Zero tolerance means that no sexual abuse or sexual harassment is tolerated, including abuse by inmates and by staff.

- Anyone who engages in, fails to report, or knowingly condones sexual abuse or sexual harassment of an inmate shall be subject to disciplinary action and may be subject to criminal prosecution.
- An inmate, employee, contract service provider, volunteer, intern, and/or any individual who has business with or uses the resources of the Prison is subject to disciplinary action and/or sanctions, including possible dismissal and termination of contracts and/or services, if he/she is found to have engaged in sexual harassment or sexual contact with an inmate.
- A claim of consent will not be accepted as an affirmative defense for engaging in sexual abuse or sexual harassment of an inmate.

DEFINITIONS

Sexual abuse of an inmate by a staff member, contractor, volunteer, intern, or individual who has business with or uses the resources of the Prison includes any of the following acts, with or without the consent of the inmate:

- 1) Contact between the penis and the vulva or the penis and the anus, including penetration, however, slight;
- 2) Contact between the mouth and the penis, vulva, or anus;
- 3) Contact between the mouth and any body part where the staff member, contractor, or volunteer has the intent to abuse, arouse, or gratify sexual desire;
- 4) Penetration of the anal or genital opening, however, slight, by a hand, finger, object, or other instrument, that is unrelated to official duties or where the staff member, contractor, or volunteer has the intent to abuse, arouse, or gratify sexual desire;
- 5) Any other intentional contact, either directly or through the clothing, of or with the genitalia, anus, groin, breast, inner thigh, or the buttocks, that is unrelated to official duties or where the staff member, contractor, or volunteer has the intent to abuse, arouse, or gratify sexual desire;
- 6) Any attempt, threat, or request by a staff member, contractor, or volunteer to engage in the activities described in paragraph (1) through (5) of this definition;
- 7) Any display by a staff member, contractor, or volunteer of his or her uncovered genitalia, buttocks, or breast in the presence of an inmate, detainee, or resident, and
- 8) Voyeurism by a staff member, contractor, or volunteer. Voyeurism means an invasion of privacy of an inmate, detainee, or resident by staff for reasons unrelated to official duties, such as peering at an inmate who is using a toilet in his or her cell to perform bodily functions; requiring an inmate to

expose his or her buttocks, genitals, or breasts; or taking images of all or part of an inmate's naked body or of an inmate performing bodily functions.

Sexual Harassment:

- 1) Repeated and unwelcome sexual advances, requests for sexual favors, or verbal comments, gestures, or actions of a derogatory or offensive sexual nature by one inmate directed toward another.
- 2) Repeated verbal comments or gestures of a sexual nature to an inmate by a staff member, contractor, or volunteer, including demeaning references to gender, sexually suggestive or derogatory comments about body or clothing, or obscene language or gestures.
- 3) Sexual harassment also includes making rude or insulting comments about another person because they are, or are perceived to be, LGBTI.

PROHIBITIONS

Volunteers or Interns who conduct business with the Chester County Prison are violating the Prison's policy when they engage in sexual misconduct with an inmate. The Chester County Prison has zero tolerance for sexual abuse or sexual harassment and violation of this policy will result in termination of services and may be referred for criminal prosecution.

Contractors, who work as agents of the Chester County Prison, can be criminally charged for violating Pennsylvania State Law 18 PA. CONS. STAT. §3124.2 defines Institutional Sexual Assault as a felony of the third degree when that person engages in sexual intercourse, deviate sexual intercourse, or indecent contact with an inmate, detainee, patient or resident.

REPORTING REQUIREMENTS

A staff member, contract service provider, volunteer, intern or an individual who has business with or uses the resources of the Prison, must contact the security department to report any incident of sexual abuse or sexual harassment to the Security Captain or Shift Commander. They also have the ability to privately report abuse and sexual harassment via the toll-free anonymous PREA tip Reporting Phone Line at 1-866-823-6703.
