Admin Report

I received a phone call from the “alumni coordinator” at RCA in Devon. She state that they would like an in person H&I presentation at the facility. The panel leader & speaker would need to show up ten minutes early to take an onsite rapid corvid test. If the subcommittee is not comfortable with that they are willing to do a virtual presentation on their med x problem. Told her that I would pass all this information to the Clean Acres H&I chair & that He would take all this information to their upcoming subcommittee meeting on the 3rd Sunday in March & contact her directly afterward. After speaking to her I received a phone call from the previous Clean Acres H&I He report that He received a phone call from the usual P.O.C & RCA & that he was given completely different information about the facility. Going to reach back out to the facility to make sure we are talking to the correct P.O.C to let them known that H&I bring meeting to addicts in facilities that can’t make it to regular H&I meeting.

PUBLIC RELATIONS

Public relations met on 3/11/21 and discussed how we could create meeting lists that include both physical addresses and zoom codes, but do so in a way that wouldn't be financially irresponsible for the area.

We also tried to reach out to local colleges about getting information into their crisis and counseling offices for students who may need it but we experienced some difficulty reaching anyone due to the restricted office hours that most colleges enacted because of COVID. So we're continuing to attempt to make contact with them and are researching possible ways to get the meeting lists together. As a whole, we're learning to adjust PR to the pandemic.

We'd also like to ask and remind everyone to keep the Clean Acres webmaster updated about when and where their meetings are meeting. His email address can be found on the Clean Access website.

AREA POLICY

Policy has a new email address:
cleanacres.policy2021@gmail.com

Ww found out the clean acres was founded on june 12th 1988
We edited the policy by combining sections 4 and 11 together under the area service committee meeting section of the policy.

Also corrected the unity section to read for unity day every year the theme will be: unity of action and purpose.
And the picnic will be held at a designated place agreed upon by the groups.
