Receive a letter from a female inmate requesting information about the person & correspondence, she has been incarnated for 34 years. Chairperson will forwarding the letter to the Phila Chair to respond. Inquired about our regional PO.BOX because it is taking too long of time to receive inmate letter. The information we received was that our PO BOX is not a physical it a virtual PO BOX & mail gets sent right to trusted servants who disburse it as soon it come in. The regions is trying to get more information about meeting in person in Roxborough Hospital: as information start to come in we need to start thinking about whether or not our H&I subcommittee would like to meet via zoom or return to in person. Please continue to push out H&I flyer to all facilities as there are lot of changes going on with meeting throughout our region. The flyer is our base chance to guide addicts leaving facilities to up to date & accurate meeting information.

Areas Reports

Philadelphia: presently we not meeting as a committee. We are looking (hopeful) to begin meeting in person in August. We are still taking one meeting into facility and I am trying to recruit new member to join our subcommittee when we begin in person meeting.

South/Philly; On June 19 2021 attended South/Philly H&I meeting, two people in attendance. Ongoing communications with the River Bend facility with regards to start date for in preson meetiing has been confirmed for Wednesday July 7 2021. We are currently going to have commitments there, Monday, Wednesday-7:00pm, panel leaders and speaker must fully vaccinated.

Schuylkill Valley: we meeting at Fairmount three time a week. We have a brief break this month due to technical difficulties. The facility had to work out their end. The area has asked that I request a presentation from the region. This was previously done and as I said we have meeting been meeting. However their view is that we have not done a properly job. So if you could forward this request that would be great.

Montco: One week was missed at women space, weren't able to fine some do the meeting. order basic text for MCCF, all other commitment cover. **Valley Forge** did approve for our meeting to come in person long as the speaker, chairperson is fully vaccinated. **Ealeville** Wednesday night meeting are now men only,

West/South/West: We meeting the first Monday of the each month from 7:00pm-8:30pm, with the lasthalf hour being dedicated to training on Do's & Don;ts required to go into facilities. We meet thrid Saturday of the month from 10:00am-11:00am. **Both meeting are on ZOOM ID222673-8711-p/w-052607.** A summary of the first Monday of the month and the thrid Satuardy of the month. We participated into the Unity Round Table Event on May 29-2021. The

commitment we have, family house now, Interrim House and Presbyterian have all been covered with no misses. We experienced some problem with Presbyterian that their liaison attributes to irresponsibilities. Look like we can possibly take on another facility. Mercy Hospital has been taken over by the University of Penn and now known as HUP54 I received contact information and will make contact before our next meeting.

Clean Acres: Our Co-Chair is going to reach out to all facilities about this week to see where they are at with restarting in person H&I Presentations. Gaudenzia want meeting outside & Malvern is ready to move from virtual to in person.

July 2021 Subcommittee Report

Chair: Ashley K.

Co-chair: Adam S.

Attendees: Ashley, Adam

-Meeting opened with Serenity Prayer at 540pm before the ASM at Zoom code 275 856 6387
Password: 123456

-Reviewed last month's ASC minutes, and noticed that the Literature report mentioned needing either meeting lists or QR code containing flyers for 50 newcomer packets being sent to the prison. If they need any assistance with this in the future, we'd be more than happy to help.

-We'd like to remind all of the group's present at area to contact either Adam or Ashley to keep their meeting's information up to date. If any Clean Acres area member notices that their meeting's information is incorrect either on the website or meeting list, please update us. As well, if you see members of homegroups out and about when you're at meetings please encourage them to attend area or to contact Ashley or Adam with up to date information about their meeting.

-T-shirts designs are ready. A printer has not yet been selected and as such, pricing can not be obtained. Because of this, they will not be ready in time to be sold at the upcoming Unity picnic, unless area chooses to allow us a vote of confidence to acquire cost effective printing, get them

done, and charge whatever is necessary to cover the cost. We may also be able to front the money to cover them but would need reimbursement later. They are available in full color on black or white- these would cost a bit more. They're also available in a simpler single color design, also on black and white. These would be more affordable. We believe both should be made available. Profits made from any shirt sales will be put towards buying and providing staple-less literature for the prison.

-Flyers and meeting lists are being printed by Adam personally and distributed to homegroups that we've visited or that have requested them. We will also be meeting up with Kyle to give him some before he does the literature drop off. It is imperative that they be up to date though, which we need each homegroup's help for.

-We'd like to request money for meeting list printing. The cost is \$.20 a copy currently because the meeting list is still changing daily. If we were using a professional printer, we would only be able to get small batches done at a time. That would not be cost or time efficient. So until there is some stability in the information on our meeting lists, we'd like to continue doing it this way. Thus far, we've already printed and distributed \$20 worth of meeting lists. We'd like to request Adam be reimbursed this money.

-Discussed the need for a possible hybrid ASC meeting so that we can further carry the NA message and make the area service structure available to disabled persons, single parents, virtual attendees, and immunocompromised persons in keeping with our 1st and 7th concept.

OPEN FORUM

All Area Subcommittees are meeting before the ASM at 5:30pm same ID & Password as Area, When you join the MTG please click on "Join break out room" & select **any subcommittee you would like to attend** **** OUR SUBCOMMITTEES ARE IN DIRE NEED OF SUPPORT!****

-We have a new book in the Making & our in need of your review & input!! SPAD aka "Spiritual Principal A Day!" This book is now in the final few stages of review & input! There are 88 principals! To get involved & be a part of our new piece of literature you can find more info at www.na.org/?=medibook Final chance is Sept 13th!

- If people need to print out accurate information for newcomers to have on hand at their groups & don't have easy access to a printer please reach out to the PR CO-Chair Adam S.

- There was a lot of discussion about whether or not to keep the ASM virtual, to make it hybrid, or go live. There was a member who voiced being sick of zoom & wanting to see addicts in real life. There was a member who requested if we do start meeting physically could the time be changed? Some members voiced that we didn't vote to start holding the ASM virtually & asked why we would need to vote to move back to a physical ASM? There were many members who voiced how convenient it is to literally be anywhere in the world on area Sunday & still participate in service! Many members felt that we should continue on with the virtual ASM as we have added 4 Home Groups to the Clean Acres area that are strictly virtual. The Area Service body is here to support ALL Home groups within the Clean Acres Area at all times. When making a decision as trusted servants that will affect all the Home Groups we need to put our personal opinions aside & consult our higher power for a decision that is best for all the groups in the clean acres area. If you would like to see a member of our area physically it was suggested that you attend their home group or make plans with them outside a meeting. A member shared how there is new literature that has come out about hybrid meetings & it states, "EQUIPMENT, EQUIPMENT, EQUIPMENT" is most important issue when going hybrid. It goes on further to say that groups & service bodies need to invest in equipment to make sure that addicts physically & virtually can see & hear one another, as well as interact. The new literature will be attached to the minutes. This discussion went on until a member stated that it was difficult for us to make an informed decision on this issue when we didn't know how much it would cost to make area service hybrid. It was suggested that we table the discussion until Aug & a member can give us an estimate on what the price of equipment would be for hybrid. A member volunteered for the task.

-THE SERVICE BODY MTG CLOSED WITH A MOMENT OF SILENCE & THE SERENITY PRAYER!-
