REGIONAL BUSSINESS: SEE ATTACHED GREATER PHILADELPHIA REGIONAL H&I MINUTES

LITERATURE REPORT: No Lit order this month, Lit on hand & stamped. Reached out to old RCA Panel leader to see if she would return the H&I Literature.....attempt was unsuccessful believe we will have to chalk it up to a loss

COMMITMENT REPORTS:

Gaudenzia: (Robert) **4/4 None Missed:** The presentation itself has been going well the message is being carried. However, there are internal issues occurring... Some WKS we show up & it's only the men then the following WK it will only be the women. Spoke to the evening contact...they are requesting an additional MTG during the WK so they can keep the men & women separate. Offered the suggestion of having the men sit on one side of the room & women on the other. Requesting Co-Chair to reach out to facility P.O.C to resolve the issue.

Malvern Monday Night : (Terse) **4/4 None Missed: All is GOOD!**

Malvern Thursday Night : (Victor) **Panel leader not present/ no report submitted.**

RCA: (Alex W): **Panel leader not present/unable to contact** Panel member was voted in last month & we stressed how import it was to cover our commitments at this facility. RCA is familiar to smooth running H&I presentations from our area for few YRS now with minimal misses. Panel member let subcommittee members know she was going out of town for a few WKS.....subcommittee members stepped up to cover the commitment. When panel member returned from commitment she did not show up, speaker was already inside the facility that evening & carried our message. 3 members of the subcommittee have reached out to panel leader to see if everything is ok & offer our assistance & we have not been able to make contact.

NEW BUSSINESS: We are in an odd situation right now with RCA. There is nothing in our policy to cover when we receive multiple phone calls from a facility about panel members not showing up, not carrying a clear NA message of Hope, & what to do when we can't reach a panel member. Some of this might be a learning curve..so we are going to continue to reach out. We are also going to have 2 subcommittee members temporarily take on RCA if we can't reach the panel leader. Additionally we are going to ask the other areas at region if they have experience with this & what the solution was they found. We do have members who are familiar with the facility & can help out if asked. We have a responsibility to show up for our commitments today....carrying our message to the newcomer is vitally important. We need more trusted servants helping out with H&I...all subcommittee members are going to share the need for service help at the MTGS they attend, & also try to encourage newer members to get involved! We will be sending out an H&I flyer to all the GSR's.. **PLEASE** share this announcement at your home group!

READINGS: 12 Concepts, 12 Traditions, Basic Purpose & Function, Secretaries Report from 9/2021

ADMIN REPORT: PLEASE submit an updated commitment contact list for all the facilities your area is currently serving. We have been asking for this every month for well over a year. We read over it at each subcommittee meeting in the Basic Purpose & Function. There have been a lot of changes with all the H&I facilities. The reason this information is so VITAL to have on hand is due to service in the spirit of rotation. We have seen it time & time again when a Chairs term is served & unfortunately they disappear. A brand new chair shows up at our subcommittee meeting & has no clue which commitments they are accountable/ responsible for & whom the point of contacts are at the facilities. There have also been times where the area has done a FANTASTIC job of communicating with the facility & at the last minute the facility needs to get ahold of NA so.... they call the WSO directly or the regional helpline. It is VERY helpful to have this information on hand so we can figure out which area the facility is trying to contact & help guide new trusted servants. PLEASE do not think we are trying to interfere/ over step the area H&I dynamic! If we receive a call from a facility that has a question, comment, or concern for an area H&I subcommittee we will pass/relay the information on to that area & allow them to handle it & assist the areas only when assistance is requested.

AREA REPORTS:

MONTCO: 0 virtual MTG / 7 Physical MTGS/ 0 missed: Horsham went from 3 MTGS a wk down to 1 due to they don't have enough clients in their facility right now for 3 MTGS, Womens space has been having issues with the staff not communicating among themselves & reaching out to us. The meeting is outside right now we like to communicate with them the day of the MTG to make a decision about holding the MTG with the weather. The day time ppl will tell us all is good, out panel member & speaker will show up to the facility & none of the women want to come outside for the MTG because they are cold. So we are trying to work more on the communication with the facility. Already got flyers from the PR poster drive & hung them in our facilities.

POF: 1 virtual MTGS/ 0 Physical MTGS/ 5 missed: There have been struggles at DRC..no H&I presentation in a month, area has requested that the H&I member hang in there & communicate with the facility.

ZOOM ID222673-8711-p/w-052607

NEW BIZ: It's that time of year when we usually hold our annual H&I RSC Learning Day! In the past we have had great experiences when an area H&I subcommittee within our region hosts the event! Last year we held the event virtually, via the zoom platform, & the turnout was 50+ members! It was a multi-regional event, we covered how to carry the H&I message virtually, & it was a success! We discussed inviting PR, Unity, & Phone Lines to participate in the future learning day to show how we work together in a spirit of selfless service to carry our message! If ANY AREA is interested in hosting PLEASE let us know! We discussed a count on the H&I posters that we are working together with PR to get made into 11"X14" posters. The current count is 16, if your area is interested in a poster for your facilities please let us know! Lastly we discussed our H&I Budget. There was discussion about asking the RCM's to pay for the shipping costs of any area H&I subcommittee that had to mail literature into the facility; & to cover the cost of printing out H&I flyers to serve in place as a meeting list for the panel members to carrying into the facilities when they are doing presentations. There was a motion made to move the \$200.00 we had allotted for outreach & move it to our Literature budget. The motion passed & our Literature budget is now \$600.00

PR met on October 17, 2021 at 5:30pm before the monthly ASM. Meeting was opened at 5:37pm with the Serenity Prayer.

- We discussed the previous month's PR regional meeting and our intent to develop a PR presentation for ourselves, using the PR presentation example formats as guidance. The PR presentation format is not complete yet because we needed additional information on certain statements that need to be included in the format and we are still waiting on information in regards to that. Once the format is created we will begin training members of PR on how to give a presentation to new facilities, should the area choose to take advantage of that.

- Last month the file with the QR code containing flyer was requested so that NA members could print them themselves and Adam provided that file to Heather B.

- We are requesting a \$26 reimbursement for 130 meeting lists that were printed and distributed in the last 3 months.

- We discussed creating Clean acres themed mugs- one with the original Clean Acres area logo and one with the new logo. To be sold at a later date in person. The designs are still in process and distributors/cost are still being sorted out but it is an idea we're working on moving forward.

Meeting closed at 6:12pm with the Serenity Prayer

- The subcommittees meet before the ASM from 5:30-7:00pm on the area zoom account. What we have been previously doing is creating two separate zoom meetings so that there are not people coming in & out of the subcommittee MTGS showing up early for area & disrupting the subcommittees. Going forward we are going to schedule area as one meeting to include the subcommittees & area service directly after. Please be mindful if you long into the ASM early that our subcommittees are trying to conduct business & please be mindful of all background noise & disruptions.

- If people need to print out accurate information for newcomers to have on hand at their groups & don't have easy access to a printer please reach out to the PR C0-Chair Adam S.
