**Malvern Monday Night :** (Terse) **4/4 None Missed:** *All is well!*

**Malvern Thursday Night :** (Victor) **2/3 (1 Missed):** Facility canceled 1 evening due to flooding.

**RCA:** (Denise W stepped down): **2/4 (2 Missed):** *Facility had issue with a speaker we brought in, facility said speaker talked about war stories the whole time & was requesting that subcommittee only bring speakers who are capable of carrying a message of hope from active addiction & that would talk about how they found NA, how they stay in NA, sponsor, HG, & suggestions. Called panel leader to follow-up. She stepped down from commitment. At the Unity event panel leader said she was going through a lot & took the commitment back. She explained that she had made the commitment to the subcommittee & her sponsor suggested that she see it through. We already had another member in place with a speaker for the next upcoming presentation & the panel leader was ok with that. Received 2 phone calls after that due to panel leader not taking the meeting into the facility for the past 2 weeks, no contact was made with facility & they wanted to make sure we were still going to bring in a message. Called panel leader & left messages & no communication was established.*

**NEW BUSSINESS:** We are all PR & our actions have consequences today! Not every body's nitch is H&I. It is our responsibility to make sure we don't lose the privilege of carrying the message into these facilities that we are guests in. Life on life terms happens....that's why it is important to ask for help & have communication with other recovering addicts on the subcommittee who can help us with our commitments. There is nothing in our subcommittee policy to cover us when a panel leader stops going or when we receive multiple phone calls about a panel member. We are going to table this discussion & revisit our policy next subcommittee meeting.

**MOTIONS:** None

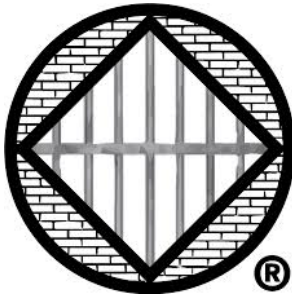

**Nominations:** Alex W for RCA panel leader. **\*\*PASSED\*\***

## **RCM REPORT**

RCM & ALT RCM NOT PRESENT, NO REPORT WAS SUBMITTED OR GIVEN.

## **PUBLIC RELATIONS**

PR met Sunday 9/19/21 at 530pm before the regularly scheduled area meeting.

**Chair:** Ashley K.

**Co-chair:** Adam S.

**Attendance:** Adam, Ashley, Tom

Discussed the ongoing struggle of meetings not being updated on the area website or with anyone from PR. We humbly ask that area participants remember, and remind our fellow addicts, that if their meeting information has changed they can either update it at the area website ([cleanacresna.org](http://cleanacresna.org)) or with anyone from PR. Let's also encourage members from Clean Acres area homegroups to attend and participate in area so that they can stay up to date with current happenings and let us know if they need support. The area service structure is there to support the groups so if you know a group that needs support or is at risk of closing please encourage them to attend area so we can help each other and so that we don't start losing meetings. We are each other's eyes and ears.

Also, please be mindful of handing out old area mtg lists, check to make sure they're up to date, let the addict who is receiving it know that the website has the most up to date info.

Discussed the regional report. Region would like anyone who is involved with PR to be trained on the phone lines. The coordination for that is still in process. Region will also be hosting mock PR presentations in October and encourages all PR subcommittee members to attend and learn. We are very interested in attending these mock presentations and learning how to give a PR presentation so that area groups may utilize us in that capacity should they choose to.

We could use support so if anyone is looking to get in service at the area level please feel free to check out the PR Subcommittee.

Due to the recent storm, Messiah Lutheran was flooded, they are estimating 3-4 months to fix all the damages. The GSR's requested to hold the vote anyways to find out what the groups felt about this ongoing discussion. The vote was held & the motion did not pass.

- If people need to print out accurate information for newcomers to have on hand at their groups & don't have easy access to a printer please reach out to the PR C0-Chair Adam S.

- We discussed the 2 questions our policy chair brought back from region. Members felt we can't dictate to others where a Home group residency should be held. As long as it is an NA Homegroup & the member can fulfill the trusted servant responsibilities.... why would we create make more policy where there is none?!? we need members to be in service.

- The policy chair asked if we wanted him to change the area policy at this current time to say we meet virtually instead of at Messiah Lutheran. The GSR's felt there was no need to change it at this current time.
