Consensus was reached to return slowly back into physical presentations with proper protocol. A mini presentation at each facility will

be held prior to returning. -Area Reports.

- Brenda P- West SW area will be moving to Darby Rec Center in December. Also West SW area Sent out a change in policy for Home Groups to vote on. "West SW area members cannot hold two positions on area level".
  1. Paul Shared his experience with the benefits of being able to hold two positions. In case there isn't enough participation in the area sometimes holding two positions is helpful to the area. As long as the two position isn't conflicting with each other.
  2. Brenda will suggest to add to West SW policy "Members cannot hold two positions unless there is a lack of participation"
- Paul L- Purposed to Northwest area to switch over to consensus based decision making. This proposal was postponed to next area meeting.
- Lea H. Camden area wants to hold an area convention. Lea concerns are:
  1. They might not be well prepared.
  2. Members are dropping from other important service positions to join the convention committee. This can leave important service position vacant.
    - Paul- suggested to bring this to a vote for home groups in Camden area to decide on rather or not to host a convention.
    - Curt- suggested there should be some form of a convention committee policy before committing to a convention. There needs to be a point of accountability to the Greater Camden Area.

Carlton C.- Mentioned the lack of participation in SVA area service committees. There are a lot of open position that has been vacant for a while.

- Curt- suggested to look into joining another area. And/or start an adhoc committee to finds ways to get more participation.
- Tom- suggested to recruit members to join are services.

-REGION

- Curt- Region accepted the revised policy that was submitted. It will be posted on naworks.org

## OPEN FORUM

All Area Subcommittees are meeting before the ASM at 5:30pm same ID & Password as Area, When you join the MTG please click on "Join break out room" & select **any subcommittee you would like to attend** **\*\* OUR SUBCOMMITTEES ARE IN DIRE NEED OF SUPPORT! GSR'S THERE**

**IS A FLYER ATTACHED TO THIS EMAIL PLEASE SHARE THIS WITH YOUR HOMEGROUP MEMBERS & INCLUDE IT IN YOUR HOMEGROUP ANNOUNCEMENTS!\*\***

- If people need to print out accurate information for newcomers to have on hand at their groups & don't have easy access to a printer please reach out to the PR CO-Chair Adam S.
- Right now Adam S is printing out meeting list... driving them around to all the Home groups that need them, dropping them off upon request The Area is reimbursing him for the printing costs about \$20.00 every other month.. There is a cheaper, simpler, more sufficient method that we have been using in area, & regional H&I It costs us pennies, It takes the addict to the most up to date meeting info, & it is a convenient size!! Below is a copy of what we have been using, on the back there is a phone list area. What we have done is purchased a case of card stock for \$20.00 & ink to refill the cartridges for \$13.99 We are able to print out four 4X6 Meeting Cards on one sheet of card stock & it takes us just minutes to do it! When the groups need to get literature from Kyle they could pick up a stack of these cards for their home group. If any of the meeting information changes it won't matter because the information on the cards NEVER changes...it takes the addict to the most up to date information that is updated daily. They have been flying like hot cakes in H&I presentations & we haven't even gone through 1/4 of the ink or the paper yet & we have printed out & distributed hundreds of copies! **PLEASE REVIEW** this with your homegroup so your GSR can bring back feedback at Decembers area service body meeting!
