### **Public Relations Subcommittee** **June, 2022 Report**

**\*\* Subcommittee did not meet before the ASM via the area zoom account\*\***

PR did not meet virtually but we independently gathered some notes. For this month, we've priced coffee mugs with the clean acres logo on them. There's a company in Douglassville called Robo Giant Printing that does full color (and black and white) mugs:

\$6 to \$7 for 15oz.

They're white ceramic, the printing cost is included- and best of all, no shipping fee. If we were to buy 100 of the 15oz. mugs and sell them for \$12 each, they would bring in significant donations for people in need of literature. I think we can sell 100 mugs pretty easily especially if we get this done now so they're ready for the August Unity Event.

**OLD BIZ: In MAY this motion was put on the floor:**

I would like to make a motion to create an adhoc committee with the intent of creating a hybrid meeting place to hold area service that's capable of distributing meetings lists, literature, and accepting cash donations.

Intent: To research an effective way to communicate for Area that includes members in person and online

There was some discussion about who would be heading up the committee Adam accepted the the responsibility. The GSR'S voted & the motion passed

This month Lorenzo, Area Chair shared the following:

I meet with messiah Lutheran Church & they said we can meet there on Sundays & that includes use of the wifi. I'm sure as an area we would have to discuss increasing our donation to the facility to include the use of the facilities wifi. We plan on investigating more equipment & doing some test runs, our region is now meeting hybrid & we are coping their equipment. There is 1 unit for conference recording we will need to order on amazon & test & consider the rest of the concerns & equipment. Our biggest concern is to make sure everyone can hear. I have high hopes!

All Area Subcommittees are meeting before the ASM at 5:30pm same ID & Password as Area, When you join the MTG please click on "Join break out room" & select **any subcommittee you would like to attend** **\*\* OUR SUBCOMMITTEES ARE IN DIRE NEED OF SUPPORT! GSR'S THERE IS A FLYER ATTACHED TO THIS EMAIL PLEASE SHARE THIS WITH YOUR HOMEGROUP MEMBERS & INCLUDE IT IN YOUR HOMEGROUP ANNOUNCEMENTS!\*\***

-If your group is interested in the 4x6 meeting cards OR an area meeting list with the new meeting search number on it. Visit [www.naworks.org](http://www.naworks.org) click on the 'MEETINGS' link & from the drop down menu select "Area tri-fold meeting lists & 4x6 cards" they are set up there nicely in a printable format. If your group is in need of these & you do not have a printer contact Heather B 267-310-8329

- Our fellowship needs YOUR HELP! IP#21 The Loner- staying Clean in Isolation is being revised by our fellowship! Please submit your feedback by going to [www.na.org](http://www.na.org) deadline is August 30<sup>th</sup> 2022

- Lit chair asked about the possibility of us meeting a Messiah in the future & if literature could be stored at the facility. There was brief conversation from HG's that had met there that a closet is available. Another member asked if we were prepared for Messiah to get flooded again & if we were willing to take a \$3,000 loss in literature?!?! There was a suggestion that we rent a storage shed to store area literature in.

- It was asked why we are meeting in multiple locations multiple times a month for literature! There is NOTHING in the literature chair description that talks about the chair running all over Chester County multiple times a month to provide groups with literature. If you group needs lit meet at the Boscovs parking lot!

- A member shared that we need to take a long hard look at what we are doing here. We have almost \$ 5,000.00 of literature on hand. More of the decisions that are being made need to be going back to the groups so that we actually have a true consensus. Unity needs to provide receipts for everything they are spending NA funds on...not just return any unused money at the end of an event. We are trusted servants & we need to account for all of those funds. We had to purchase a phone for the venmo account because it has to be tied to a phone number or we would have lost our venmo. The phone was purchased & will be used for just that the venmo account! The whole reason area exists is to serve the groups! Heather has no obligation to send out the minutes! We need a secretary, we need a treasure...we aren't being prudent & we aren't serving the groups! We really need to reach out to the groups that are not attending area & ask them if they are still interested in being on the clean acres area meeting list...this way we can actually for once get a true area conscious! We are not here to make money or have events. Just take \$1,000.00 don't sell mugs & donate books to the prison. We need to actually read & practice the traditions!

- The SPAD book has been approved! We are now able to read it in NA meetings, add it to our group's format! You can visit [www.na.org](http://www.na.org) & sign up for the daily email entry to be sent directly to you!

- Our fellowship is starting to work on a piece of literature on MAT & DRT (medication assisted treatment & drug replacement therapy) this survey gathers thoughts/ perspective/ experience around the issue. If you would like to contribute. Visit <https://m.na.org/?ID=projects> &/or <https://www.surveymonkey.com/r/drtmat>
