OPEN FORUM: It was discussed that the majority of our area H&I Subcommittees are struggling & we are barely able to fill the commitments we do have & we are placing a lot of facilities on waiting lists due to lack of support from the groups. This issue has been going on long before the pandemic, every month H&I asks for people & we do not get them, we need to think of a different solution for this ongoing issue. A member suggested that we pitch the idea to the IT subcommittee to see if a GPRNA H&I Meeting app could be created that would meet the HIPPIA requirements that a lot of our facilities are required to uphold. We could then schedule & combine H&I presentations on multiple nights of the week with the facilities throughout our region. We could have different facilities signing into the same Monday night meeting & each area could take a different night of the week or time slot so that we could combine our current trusted servant resources. H&I chair will get with IT, present this idea, & bring back information next month to see if this is possible.

-If your group is interested in the 4x6 meeting cards OR an area meeting list with the new GPRNA meeting search number on it. Visit www.naworks.org click on the 'MEETINGS' link & from the drop down menu select "Area tri-fold meeting lists & 4x6 cards" they are set up there nicely in a printable format.

- It was discussed that In order to purchase the zoom acct subscription we need to have either a paypal or debit card. We are currently looking into the possibility of switching banks & when we have the proper info we will obtain one of these to move forward with the areas own account. Heather closed the account last month that we were reimbursing her for so Lorenzo is going to allow us to use his zoom account in the mean time. Lorenzo please submit this month & all future months zoom receipts to the area treasure for reimbursement of funds.

-It was also brought to the areas attention that the computer we were using tonight was purchased previously for \$120.00 by Rusty. Rusty please submit receipts to the area treasure for reimbursement of funds.

- A member posed the question on the floor about when we do purchase the zoom subscription, instead of making a monthly payment like we previously where, why not commit to the year subscription which would end up saving Clean Acres \$30.00? It was agreed that this is a great idea to move forward with once we have sorted out the banking.
