REGIONAL BUSSINESS: SEE ATTACHED GREATER PHILADELPHIA REGIONAL H&I MINUTES & FLYER

LITERATURE REPORT: We have minimal literature on hand, Will be placing an order this week, panel leaders replenished their literature & we sent out 40 newcomer packets & 8 Basic Text to the prison. We replenished our stock of 4x6 meeting cards to serve in place as the meetings list for panel leaders to pick up & carry into facilities! The clients at the facilities LOVE THESE!!!

COMMITMENT REPORTS:

Gaudenzia: (Robert) 2/2 None Missed: Due to a Covid Outbreak we were not able to enter the facility for 2 weeks. We have resumed MTGS again, all is well!

Malvern Monday Night, Ricky :) NO REPORT SUBMITTED

Malvern Wenesday Night, BethAnn: 4/4 None missed, have speakers lined up to September! ALL IS WELL!

RCA: (Heather B(temporarily): 4/4: None Missed! Will be carrying out the commitment until the end of July(hopefully) then MONTCO will be taking over the commitment!

NEW BUSSINESS: -Reached out to the prison, we have a new point of contact counselor Williams. He reported that sense our H&I presence has not been at the facility they are noticing a lot of offenders coming back in & out & they cant help but wonder if they were exposed to NA through H&I would it maybe be different for them? He said that he has been pushing for us to resume physical meetings...however the prison still has an exposure to covid concern. We suggested possibly have our members provide proof of vaccination & unfortunately at this time we are not able to resume physical or virtual presentations. He did say that the facility has tons of AA literature & that offenders are constantly requesting NA literature & mail correspondence. H&I moved swiftly! We used rubber bands to make 40 newcomers packet containing all the suggested H&I IP'S, 4x6 meeting cards, our p.o box address, & 8 Basic texts! Regional PR donated 6 Posters with bi-lingual information about how to find NA if you need help with a drug problem upon release (these will be posted in each cell block) Regional H&I donated 10 more English Basic Texts & 3 Spanish Basic Text. All of this was dropped off at the prison this past Friday with counselor Williams & will be distributed to inmates upon request.

-Last month Ricky our Monday night Malvern panel leader brought to the subcommittee information about an alumni coordinator trying to replace our Monday evening H&I presentation with an alumni recovery meeting. We contacted the facility & Malvern is extremely happy & grateful with all the NA service the Clean Acres members have provided, unfortunately, they do have to fit this alumni meeting into their weekly schedule. So we will be at Malvern every Monday & Wednesday until the 1st week in August then we will only be in there on Wednesdays. We don't want to lose any trusted servants so BethAnn will reach out to Ricky about splitting the commitment.

- We participated in a virtual H&I presentation with staff from the RCA facility, MONTCO H&I members, Regional PR& H&I. MONTCO will be taking over the RCA commitment starting the 1st Monday in August. Until then Clean Acres will be covering the commitment.

-We participated in the regional DANA SUMMER SLAM EVENT this past Saturday with H&I, PR, & PHONELINES, the event was an amazing experience & clean acres was well represented!

ADMIN REPORT:

GREAT JOB DANA AREA on the physical Summer Slam event & to the WSW area on the virtual H&I presentation!

-Regional H&I participated in the Summer Slam event & Basic Texts from the East

Coast Convention were distributed to a majority of the areas.

- participated in a virtual presentation with regional PR, H&I Clean Acres H&I, MONTCO H&I, & staff members from Recovery Centers of America In Devon, PA. There were multiple issues at this facility with meetings being carried into the facility on multiple nights of the week & being called " NA MEETINGS" with " NA SPEAKERS & READING NA LIT" BUT...NO H&I subcommittee supported by an area subcommittee was involved. There were individual members doing it...sponsorship families.....& their were issues & problems happening at these meetings that made the facility reach out to the 1 area we knew which was going in there on a Monday night, Clean Acres. All meetings were suspended temporarily until a presentation was scheduled. Clean Acres was asking for MONTCO or DELCO to take over the commitment because its over an hour & 15 minutes away from most of their members. MONTCO stepped up the presentation was held & was a success! MONTCO will be moving forward with the meetings at RCA.

- There is a brandnew facility called Lehigh Recovery...they have contacted us 3 times requesting NA representation! This is a 28 day inpatient coed facility where patients cant leave. This facility falls in the ICA...ICA has not attended region in over 3 yrs...Philly area has stepped up to donate literature to this facility & Philly & DANA areas are both going to see if they might be able to take a meeting in there...but the areas that do attend region are completely spread thin!!! H&I NEEDS HELP ALL THROUGH OUT OUR REGION!!!!!!!!!!!!

-SKVA has an H&I Subcommittee again!!!

-Regional PR was contacted a few times from George W Hill Prison, this falls in the Delco Area, Delco also hasn't come to region in 3 years. I have been in contact with their chair...he said the area was excited..gave him all the contact info asked them to follow up as an area...received another request from the prison...Delco hasn't followed up...following up with Delco today. Regional PR willing & ready to do a physical presentation at this facility!

AREA REPORTS:

SKVA:

OLD BIZ:

*** PR would like to make a motion to get \$650 from the Area to being printing 100 mugs with the intent to raise money for literature donations to local prisons. ***

*****GSR'S VOTED THIS MOTION DID NOT PASS*****

-There was a lot of discussion around the ADHOC committee. Our groups did pass a motion to put together a ADHOC committee with the goal of bringing back & presenting information to the groups to see if a hybrid area would be possible to obtain. As members logged into the area service meeting the ADHOC committee members were currently located physically at Messiah Lutheran with equipment set up & running. It was discussed that it was great to see the ADHOC committee excited about the task at hand! However the motion passed was to form a committee to find

out information. The groups were not notified that the committee had been formed & when & where the first meeting would be held so that members in our area could get involved in the ADHOC committee. There was discussion around our fellowship being fully self-supporting & our 7th tradition. If equipment is needed to be purchased for hybrid capabilities a budget should be presented to the area, rather than having individual members purchase equipment. There was discussion that the ADHOC committee is like any other subcommittee & should meet prior to our area service meeting at 5:30pm & provide the groups with a report each month & receive guidance as the other subcommittees do. We discussed if the ADHOC committee is going to be meeting a Messiah & using the internet that we need to pay for the use of the facility & the internet. The Treasurer said he would look over what we were paying Messiah previously and add on ¼ of the cost to cover internet access & let us know next month. The ADHOC committee members stated that all the feedback & discussion was great, in their haste they did not hold a meeting & put information out to the fellowship, but that we do need to go back because the policy states we meet at Messiah Lutheran. Also if anyone wants to be a part of the ADHOC committee everyone has all of their phone numbers & could have called them. It was discussed that a few months back the Policy chair asked if we should change the policy to state that we are meeting virtually & the GSR's voted no to not change it until a later date because all the correct virtual information for the area is located on the area website & in our minutes. Our virtual Home groups asked if they needed to start looking for a new area to join...they said the ADHOC committee kept saying we needed to start going back to Messiah & even though the committee said hybrid the virtual groups felt the tone of the conversation was that hybrid would eventually lead to just physical. The ADHOC committee stressed that they would do exactly what the groups wanted them to do.

-There was more discussion about asking the groups that do not attend the area & have not attended the area for a long time if they are still interested in being on the meeting list. A member brought up that as a dope fiend when someone tells them what they need to do....often times the exact opposite happens & can we really dictate to the groups that they need to come to the area? There was discussion that we aren't dictating to the groups to come to area every month, get involved, & buy their literature from us....we are simply trying to take inventory of the groups who are still interested in being a part of the clean acres area so that we can get a true conscious of the area.

NEW BIZ:

We need a Secretary & an Area Treasurer!!!!!! The area co-chair has been filling in as secretary & will no longer be doing so after this month. The Secretary's responsibilities are not a part of the Area Co-Chair's role. The treasurer has kindly been doing it since last year. We are not being prudent with our Trusted Servants.
